Children can slide, crawl, climb and play as hard as they like, fueled by their own curiosity and imagination. Children can explore the maze of tunnels, slides, and ball pits, or ride on a variety of riding toys. ***For safety reasons children must be at least 3 years old and no taller than 4 ft. tall to play in the large maze structure.***

We have not forgotten those age 2 and under. We welcome you to bring them to our **Toddler Area**, where they can play almost like the "big" kids, on toys designed for their size and ability.

For children over 4 ft. tall we have a Lego® area, board games, and a reading area.

Socks must be worn by those who play.

No outside food or drinks may be brought in the building unless you have a party booked.
